- block patterns and draping
- grading sizes and adjusting fit

Performing interdependently

- adapting and learning quickly
- communicating with feedback
- comprehending needs of team
- focusing work toward end-goal
- developing personal skills

EXPERIENCE

- 2011 **Design Assistant** - Pat McDonagh, *Toronto, Canada*
 Designed sponsorship packages by implementing illustration and creative skills. Drafted and graded patterns, cut fabrics and ensured follow-through with sample maker.
- 2010 **Design Intern** - Friedrich Gray, *Sydney, Australia*
 Created patterns for avant garde designer Ben Pollitt for a F/W runway showing. Projects included grading sizes for unisex tops and remodelling patterns from vintage military bags.
- 2009-2010 **Interpretive Ranger** - Ministry of Natural Resources, *Quetico and Neys Provincial Parks*
 Educated park guests on natural heritage by developing guided presentations for groups of ten. Created specialized programs after conducting research on local flora, fauna and history.
- 2008-2009 **Operations Assistant** - Walter Beauchamp Tailors, *Toronto, Canada*
 Gained first-hand experience in refining garment cut and allocating fabrics under bespoke tailor. Increased client base by initiating communication program with concierges.
- 2005-2008 **Visual Merchandiser/ Educator** - lululemon athletica, *Ottawa and Toronto, Canada*
 Promoted to visual merchandiser after three months due to initiatives for improving store layout. Developed a team to maintain the displays. Created a window display in January 2006 featuring a new sports bra line which was featured in company training material.
